"Elijah Replied. What have I done to you" [1 Kings:19:20].

Dear all

Greetings in the name of our Lord and Saviour Jesus Christ.

This month church thinking about two important topics. First one is related to our youths and other one is related to the mentally and physically challenged people. Youth are the core and future of our church. **"Witness to Transform Lives: Mission to the Contemporary world"** is the topic for discussion in his year. The contemporary world is an ever-changing mix of social and political changes. Globally and locally we facing lot of challenges like pandemic, poverty, migration, terrorism, overpopulation, and climate changes etc. These all changing our world dramatically. We need a mission with our surroundings. We should extend our spirituality to the environment. Because our existence is depending upon our action. Everybody have their own Christian mission in this world. God bless you all our youth members in our church. Thank you for your blessed leadership in the last year.

Sunday for the mentally and physically challenged and palliative patients is another important day in this month. We thinking about **"Disability: Care and honour"**. Disability in human beings is a gift from God. But in their family itself mentally and physically challenged people suffering different kinds of problems. They need special caring and acceptance in church and family. As church we called to become a channel of God's unfailing and sustaining grace to empower them to lead a life in its fullness. Let's pray for all the physically and mentally challenged people. God bless and protect them with his mighty hands.

God Bless you all
