*"Blessed are the poor in Spirit, for theirs is the Kingdom of Heaven" [Matthew:5:3]*

Dear all

Greetings in the name of our Lord and Saviour Jesus Christ.

The above mentioned passage saying about the biggest hope of Christians. That is the Kingdom of Heaven, the centrality of Christian faith. The Kingdom of God is a great manifestation of God's will in the present and its fulfilment in the future. The apostle Matthew repeatedly refers to it as the Kingdom of Heaven, as Matthew was written in a Jewish context, from within the Jewish Christian community. The church is at once the ministry that works to realise the kingdom of God, and the path to it. In just 3½ years of Christ's ministry on earth, in defying and criticising the dominance of ruling class, he proclaimed the liberating kingdom of God. It is the mission of the church to fight in this world for the kingdom of God that is not of this world. The Kingdom of God is not a geographical place, but is relevant in the sense of rule. The kingdom of God is an experience to be beheld and felt. (Matthew 5:29). The Sermon on the Mount is the policy proclamation of Jesus Christ. It may be called the Magna Carta of the kingdom of God. The kingdom of God belongs to the starving destitute. They are lucky not because they are poor, but because they are to inherit the kingdom of God. They might have conquered the land but have not taken possession of it. Possession is for the meek. We can smartly preach and teach the Kingdom values. But if we do not follow that we will miss our destination. We should sincerely follow the teachings of the Kingdom of Heaven for attain it.

God Bless you all
