Vol. 1

Issue No.06

**2026 – YEAR OF RESTORATION**

“.....Restore us, O God.....”

(Psalm 80:3)

## Presbyter's Desk

Dearly beloved in Christ,

Greetings to you all in the precious name of our Lord and saviour Jesus Christ!

***“In the beginning God created the heavens and the earth.”  
(Genesis 1:1)***

14 th June, we will be observed as Environmental Sunday. It reminds us that creation is a sacred gift from God. The book of Genesis beautifully declares that the world was created by God with purpose, order, and goodness. After every act of creation, God saw that it was good. Humanity was created in the image of God and entrusted with the responsibility to “till and keep” the earth (Genesis 2:15).

This responsibility is not a license to exploit nature, but a calling to protect and nurture God’s creation. The air we breathe, the water we drink, the trees, animals, and all living things are part of God’s wonderful design. When creation suffers through pollution, greed, and destruction, humanity also suffers.

Genesis teaches us that we are stewards, not owners, of the earth. Therefore, Environmental Sunday calls us to renew our commitment to care for creation through responsible living, reducing waste, protecting nature, and using God’s resources wisely.

As believers, caring for the environment is an act of worship and obedience to the Creator. Let us preserve the beauty of creation so that future generations may also experience the goodness of God through the world He created.

May the Lord help us to become faithful caretakers of His creation and instruments of peace for the earth.

“God saw everything that He had made, and indeed, it was very good.”  
(Genesis 1:31)
